

Curve Twin Spot
LP-DL0416-2x10W

Technical data

Twin Oval Recessed LED Spot

Indoor LED recessed downlight 2x10W unique design with an attractive outlook various Optics choosing different beam angles 24°/36°/60° Easy fixing Springs anti-glare deep recessed with double optical design allows you to focus illumination as per desired Lux Levels , using an additional PMMA Lens delivering perfect lighting effect this downlight provides functional and accent lighting. Used for various application such as shops, museums, art galleries, exhibition halls and libraries..The CITIZEN COB LED chip with a color rendering CRI 85 (CRI 90 Optional) creates low UGR .

Lighting Area 3-4Sqmt

LED power 2*10W-Light source CITIZEN COB

Input voltage 100-277V AC, 50-60Hz

Luminous flux 2*900 lm

Color Temperature 2700/3000K

Optics PC Lens Beam Angle 24°/36°/60°

Material aluminum Alloy Body Finish Texture white .

Dimensions L168*W90*H81mm-Cutout 2*83-78mm

Lifespan ≥40000h

Working temperature -30°~45°C

Protection Grade IP54, Protection Class I CE

Make: LUMEPLUS LP-DL0416-2x10W
