

Twin Recessed Black/White Box
Ø2 62S-2X10‡

Technical data

Recessed Directional Twin spot

Axo twin spot Light combines American passion for design with a strong international focus and has become one of the leading specification for indoor lighting sector. This collaboration produces a lighting collection featuring high quality standards, in both production and design. The Axo Light painted aluminum with a black or White metal surround. The directional twin LED modules is adjustable .

- Lighting Area 2-4square meters
- LED power 2x10W
- LED source Citizen COB LED 85lm per watt
- Luminous Flux 1800Lm
- Optics 38° beam angle
- Color temperature 3000K.4000K.6000K
- input voltage AC85-265V
- Lifespan ≥40000h
- Working temperature -30°~50°C
- Protection Grade IP43 Protection Class II CE
- Dimension Square 103x 200 x Height 105mm
- Hole Cut Out 92 X 187mm
- Driver body made of fire resistance ABS Material composed of Constant current power supply and intelligent integrated circuits PF>0.9

Make: Lumeplus LP-2162S-2X10W
