

Angle Cylindrical Track / Surface LED Spot

Track lighting system combining slim cylinder housing angle cut design with integral LED driver, versatile range of cylindrical tube adjustable motion from 10° to 90° on the vertical axis and 355° rotation allowing for direction of light to application.

Cob Led ensures uniformity of the light beam with optics 16°/30°/50° beam angle. CRI >90 for light quality assurance, consistency is adhered with 3-Step MacAdams binning system with faceted reflector, made of die-cast aluminum, low weight Easy fixing 3 Phase Track Adapter delivering perfect lighting effect provides functional and accent lighting.

Lighting Area 2-4Sqmt (depending on mounting height)

LED power 20W -Light source Bridgelux COB

Color Temperature 3000K 4000K 6000K

Lumens 1900lm

Input voltage 220-240V AC, 50-60Hz

Dimension Dia 72mm * H 240mm

Material Die cast aluminum body

Finish Texture Black / White Reflector Ultra tempered clear glass equipped with anti-glare

Lifespan ≥ 50000h

Model and colors Available in white, black

Working temperature -30°~45°C

Protection Grade IP21, Class II CE

Make: LUMEPLUS LP-DL2022-12/15W
