

TRIMLESS GYPSUM DOWNLIGHT

PLASTER IN RECESSED DOWNLIGHT

The Level combines the minimalistic and soft edge design approaches from Brick In The Wall. The seamless light fixture seems to float across the ceiling, only to disappear gently into the architecture. The minimalistic design continues into the lamp unit invisible Clear plastic ring.

The recessed lamp source offers glare free visual comfort, and is ideally suited for energy efficient LED retrofit lamps. The fully paintable Level range is without any doubt a great addition to your interior design, and demonstrates our approach to the art of the 'invisible integration of light'.

Lighting Area 3-4square meters

LED power: 12W

Dalli Dimmable (Option)

LED Module :12W -1200 Lumens

Dimension 120*120*45mm (Square)

Dimension Diameter 100mm (Round)

Color temperature 3000K/4000K 1200lm

Lamp Body Material:Gypsum

Body Colour: White (Paintable)

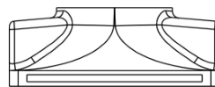

Working temperature -30°~50°C

Protection Grade IP20 Class II CE

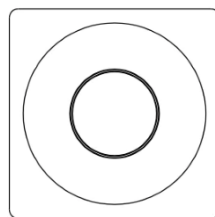

Make: Lume-plus LP-DLGL120/10012W
