

Tubes with cylindrical down-lights

Made by pipes with CNC workmanship Tribes is a family of pendant luminaries with a very graphic and minimalist design and is equipped with two direct and one indirect LED spot modules or with 3 direct spots.

TRIBES can create a unique and dynamic atmosphere. It is manufactured in three versions: individual or double with a clean graphic image and the triple version with a marked personality that creates a chandelier effect, which fits perfectly in the most contemporary spaces as well as classic or vintage interiors.
