Lens Chandelier

Lens Chandelier

The Lens Chandelier is a The perfect optics of pure crystal. Light refracted through a lens is the fundamental principle of optics. Here, two lenses harmoniously encapsulate their interior source, playing a symphony of lights. Classic clear crystal is offset by a single color that highlights its refraction. A hypnotic design, asking only unique composition and arrangement. Simple and elegant ceiling lamp suitable for kid's room, kitchen island, living room, bedroom, coffee shop, bar or dining room and office Living room, bedroom, study, dining room, bars, clubs, wedding, etc

Lighting Area 4-6 square meters
