

**SKYGARDEN S Pendant Lamp**  
**LP-MR303**

Technical data  
**Plaster Pattern Dome Pendant**

The hemispherical outer diffuser of the SKYGARDEN S pendant lamp makes a certain impression with its sheer size, however, it is the inner diffuser in cast plaster painted white. The plaster diffuser support is die-cast aluminum alloy. The pendant lamp's upper cable gland and blocking ring nut come in black injection-molded PC. The diffuser is flashed and blown opal glass.

Finish Black Glossy outside and white inside.
