Technical data:

Tab Led Floor Lam

Table lamp. Body in painted pressofused aluminium. Multi-led diffuser in specially designed PMMA to avoid the Multi Shadow effect and dazzle. The floor lamp provides direct lighting with a pivoting head. Tab is constructed from a painted die-cast aluminium structure and a porcelain reflector. On/off switch on power cord. An elegant design that would add a beautiful glow to any space.

- Lighting Area 2-4square meters
- Optics ±45° beam angle
- Voltage: 230v
- Material: Aluminum, PMMA
- Light source: 1 x LED 9W 3000K CRI80 612lm
- Finish: White, Black
- Color temperature 3000K
- Lifespan ≥40000h
- Working temperature -30°~50°C
- CE, IP20 Protection Class II
- Dimension Diameter 175mm x height 327mm

Make: Lumeplus LPF65-600
